Choose Shutter Type

Openable Shutters

Sliding Shutters

Advantages of Openable Shutters

- Improved visibility allowing for a complete view of the inner space
- Shutters can be utilized for extra accessory space
- Minimal maintenance needed
- Can work with Wardrobe designed in any shape includes triangular, Pentagonal.

Advantages of Sliding Shutters

- Shutters are large giving the feeling of a larger space
- Contemporary option utilizing less space as the shutters slide shut
- Made with European expertise
- Available with Soft closing and Lock facilities, better for Indian Homes
- Functional Advantage - Smooth motion with High performance.
- Powder coating - 5 year warranty
