PROFILE

GURIND is one of the leading Glass Processing Enterprise in India. Its footprint stretches over a wide range of Architectural, Automotive, Industrial Glass, Mirror Products & Aluminium Composite Panels. Established in 1986, the group has an illustrious history.

Today, **GURIND** has **TWO** state of the art glass processing facilities spread over 100,000 sq. ft manufacturing area in **Noida, and Sri Lanka**. Together, these ultra-modern plants with the best CNC & Fully Automatic Machines have sizeable production capacity & widest range of products making it one of the largest players in this field.

GURIND is one of the leading Exporters to the European Countries i.e. U.K., France, Netherlands, USA & Australia. **GURIND** is a **Government of India Recognized Export House** and has also been awarded the Certificate of Merit for its export achievement by the **Ministry of Commerce & Industry, Govt. of India**.

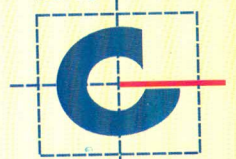

GURIND has a team strength of around 300 members which includes highly qualified people in different streams like Engineers, Marketing Professionals, Technicians, Finance Professionals, HR & highly skilled Production team.

A proven leader in the Indian market, **GURIND** has an impressive list of clients that includes leading **Corporate Houses, Shopping Malls, Embassies, Luxury Heritage Hotels and Five Star Hotels**. **GURIND** is proud to have worked with most prestigious government projects, such as **Rashtrapati Bhawan and IGI Airport**.
