**ALUMINIUM PARTITION PANELS**

Established in the year 2001, Alstrong is the first company to manufacture Aluminium Composite Panels(ACP) in India. The company is ISO 9001: 2015 certified and is accredited as a green project by State Pollution Control Board of Jammu & Kashmir. Over 16 years, it has made its mark as a pioneer in the industry and has retained its position as a leading player in the market with impeccable ACP product, quality and immense customer satisfaction.

Alstrong has a state-of-the-art manufacturing plant located in Jammu, equipped with latest technology embedded 5 manufacturing lines, a coil coating plant and an advance instrumental laboratory for continuous quality monitoring of raw materials and the finished ACP. The plant processes parameter are highly visible and integrated through SAP. As a result, ACP produced fulfills the international quality standards, is highly durable and is naturally a preferred choice of leading architects, corporates, PMCs, interior designers, builders, contractors, fabricators and others. Alstrong team is also engaged in pro-active Research and Development initiatives to ensure that each product is continuously evolved to meet the emergent needs of its customers.

Alstrong has created new benchmarks by introducing mineral core FR-ACP(Fire Resistant ACP) in Indian market, and unlimited shade variety through its modern coil coating facility. Alstrong now has the largest ACP production capacity of 5 million square meter per year in India.

Alstrong is a part of the prestigious Worlds window Group, an assemblage of progressive companies engaged in diverse businesses. The portfolio of business activities includes manufacturing, infrastructure, logistics, trading and mining. The operations of various companies of WWG are spread across the globe through its offices in India and 22 other countries. The group employs 2500 employees across the world and has a turnover of ₹6000 crores.
