Durian®

THE

DOORWAY

TO ENDLESS POSSIBILITIES

Introducing

Durian Doors

Since Durian began its manufacturing operations in 1985, the brand has expanded its portfolio to include an extensive range of doors and door frames, making its presence felt in homes, offices and commercial spaces around the country. These doors can be exquisitely customised to suit customers' requirements.

All our doors and door frames come standardised with a machine cut factory finish. Our persistent efforts to deliver quality products to you have enabled us to streamline the manufacturing process, allowing us to deliver across India and boost our efficiency in installations and handling of doors and door frames.

Create a lasting impression with Durian doors!

Beautiful doors create beautiful experiences and we understand that doors are a gateway to a hidden world that wait to welcome their guests. Can that extraordinary experience come alive through an ordinary door? To give a complete solution to your entryway, Durian creates attractive doors that fit your style.

Durian doors are designed combining the best of both worlds, old-world craftsmanship and latest technology. Our door range exhibits the widest variety of styles, designs and materials that are sure to match every need, taste and style.

We are constantly evolving with the changing needs and by the latest trends. Our passion for exquisite designs drives us to take you closer to your dream door and make the decision-making process easier.

We specialise in making doors for **Residential** & **Commercial Projects** and take pride in creating awe-inspiring front doors for the world to get inspired from.

Exclusive designs, just for you!

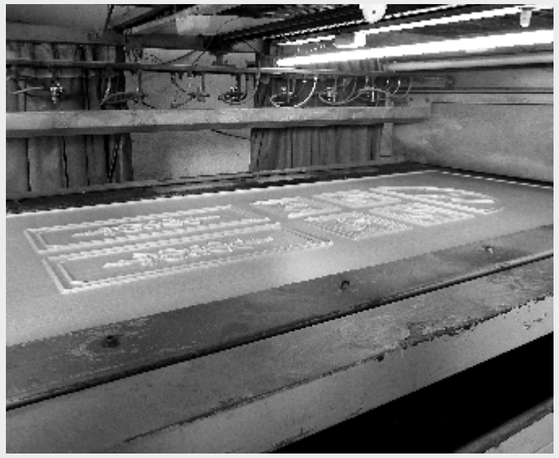
At Durian, there's a door for every buyer. Our designs are inspired by imaginations which are crafted into contemporary and traditional designs to let the buyer choose from.

- Unlimited Doors & Door frame designs
- Doors built as per market needs
- Highly functional products delivered
- Specialised in Pre Hung doors

Customisation, to reflect your style.

Finding that one perfect door can be an unending quest, right?

Some doors will look nice to you, but the colour won't be that great. Sometimes the material will be fine, but the design could have been better. At Durian, you can breathe a sigh of relief with our customisation service. Together we'll help transform your imagination, style & taste into that one perfect door you were looking for.



Experience & Technology, to try-before-you-buy

Since our inception, we have always believed in evolving with the changing choices of our customers and embracing innovation.

- Only Manufacturer who gives end-to-end solutions
- Vertically integrated to have control over raw material, production, logistics and sales
- European technology used for precision and quality
- Only Manufacturer who gives end-to-end solutions

Come & Touch with Feel and Experience.

Visit our exclusive Experience Centre to get the feel of our doors and door frames.

Our Experience Centres create an environment that inspires our clients' imagination and explores the future. As a trusted and reliable brand partner, we seek to build relationships in which we engage with customers and create beautiful solutions in a "live" environment. Our Retail Doors Experience Centres provide our clients with an immersive demonstration of Durian's latest products, taking them on a journey of the brand's values and quality. Our Experience Centres allow the clients to get a feel of the quality of doors, get customised designs and as per their budget. What's more, Durian also provides after-sales service like delivery and installation.
